SUMMARY

Full stack developer with a background in hospitality, having transitioned to this industry for more of a challenge and make use of excellent problem-solving skills. Graduated from the University of Adelaide Full Stack Web Development coding bootcamp, gaining proficiency in DOM manipulation with JavaScript and jQuery, as well as working with server-side APIs with AJAX. These skills were applied in JS and jQuery in the creation of a responsive quiz application designed to test the user on basic JavaScript. Currently studying a bachelor's degree in Computer Science at the University of Adelaide, while also having spent 4 years developing strength in teamwork in hospitality.
